BANK ACCOUNTS FOR EBOLA RESPONSE WORKERS (ERWs)

July 21 2015, Freetown, Sierra Leone- The NERC Risk Allowance Management Team wishes to inform all heads of approved Ebola Treatment Centers, approved Government Hospital Triages/ Isolation unit and District Ebola Response Centre coordinators, that NERC requires all beneficiaries of EVD Risk Allowances to have valid bank accounts for payment of risk allowances.

All facility managers are hereby requested to ensure that staff working in their facilities open a valid bank account. Effective end of July 2015, no Risk allowance will be paid to beneficiaries without bank accounts.

Upon setting up the bank account, ERWs in the districts should submit the basic bank account number (BBAN) to the district help desk staff at their respective DERCs. Those in Freetown should visit the Risk Allowance team at the EOC facility at Cockerill Barracks on Wilkinson Road to submit their account numbers.

For those who already have bank accounts, please submit your BBAN to the DERC/NERC in your district if you haven't done so already.

Many thanks for your efforts in getting Sierra Leone to a resilient zero.
